Volunteers with a servant's heart for children,

Each month we will use the same schedule for the classes being taught in the children's church. One will be the helper and the other will be the teacher. Odd months to teach can be the first name on the list and even months can be the second name on the list.

Example:

Carlie would teach January, March, May (odd 1st, 3rd, 5th etc.)

Erica would teach February, April, June (2nd, 4th, 6th, etc.)
